Complete Dispersion Sale -

by public auction
of the widely and
favorably known herd of

S. T. WHALIN & SON

Rose Hill,
Illinois

Wednesday,
June 4, 1941
at 1:00 P. M.

These seven junior yearling heifers are all daughters of Leveldale Bridegroom. Seven more perfectly moulded heifers by one sire cannot be found in any auction sale this Spring. The important thing to remember is that this is a complete dispersion sale and that all of the heifers shown above, as well as the famous bull that sired them, are to be sold in this auction.

Dispersion Sales Provide Rare Buying Opportunities

COMPLETE DISPERSION

of the Strong Scotch Shorthorn herd of
S. T. WHALIN & SON

Every animal in the herd will be sold at
PUBLIC AUCTION

at the farm 3½ miles Northeast of
ROSE HILL, ILLINOIS

Wednesday, June 4, 1941, at 1:00 P. M.
along with a good consignment from the herd of
OTIS A. CARTER, ELDORADO, ILL.

Hal Longley, Sale Mgr., 37 Island Ave., Aurora, Illinois

Cattle that would never be sold except in a dispersion sale are to be offered in this auction. Ten calves sell with their dams and 13 other good cows are close to calving. Above are shown a few of the bred cows and cows with calves. Every cow and every calf is a superior individual and all are of richest Scotch ancestry.

This is a complete closing out sale of a great herd, — a herd that has helped to pay for a fine farm. Every animal is to be sold to the highest bidder. The Whalin & Son herd contains 31 head of beautifully bred Scotch cows and heifers that will be sold as single lots. Ten beautiful calves will sell at foot with their dams and thirteen other cows and heifers will be well forward in calf. Ten grand females in the herd are members of the fashionable Bruce Augusta family and there are other females that are members of such strong Scotch families as Lavender, Clara, Rosewood, Orange Blossom, Avalanche, Dainty Maid and Primrose. All the members of last year's show herd are included in this sale. A group of seven junior yearling heifers, all reds and dark roans, sired by Leveldale Bridegroom, are as perfect a group as will be found in any sale this year. Nearly all of the young cattle in the offering were sired by Leveldale Bridegroom and they certainly prove that he is one of the greatest sires of the day. He will be sold in this sale along with one of his choice red sons and the junior herd bull Browndale-Masterstroke, also a proven sire and show bull. Due to the fact that their offering included only three bulls, the Whalins invited Otis Carter & Son to consign three bulls to the sale. Two of these bulls are solid red and were exhibited successfully last year. Now is the time to improve. This is the complete dispersion of a very strong herd and the opportunities to work improvement will be apparent to all breeders who attend.

— Hal Longley of The Shorthorn World.

The greatest opportunities come in Dispersion Sales because only when herds are completely dispersed is it possible to buy those breeding cows that have been producing the best calves. Above are shown a few of the outstanding cows that are to be offered in this closing out sale. Each one of them has been a regular producer of winning show calves. Each one of them sells in this sale with a calf at foot or close to calving.

It is with a feeling of deep regret that we announce this dispersion sale, the purpose of which is to dissolve the partnership which now exists between my Father and myself. In order to bring about this dissolution every animal in the herd will be sold at public auction to the highest bidder and not one animal now in the herd will remain on the Whalin Farms. We have been engaged in the Shorthorn cattle business for twenty-five years and only the present age and ill health of my Father causes us to close out the herd and settle our partnership at this time. That the herd has been producing Scotch Shorthorns of the most desirable kind is clearly indicated by the fact that we have exhibited a strong show herd of our own productions at the Illinois State Fair every year since the year 1921. Many of the prize winners of the past five years are included in this dispersion and all of those grand brood cows that have produced the prize winners of recent years are to be sold. The herd at present is stronger than at any time in its history and the two present herd bulls both of which are to be sold, are the best ever used in the herd.

We do not care to praise our own cattle. We are proud of them and we believe those who inspect them on sale day will agree that they are an outstanding lot. We cordially invite you to be with us on sale day.

LEVELDALE BRIDEGROOM

Leveldale Bridgroom is the kind of a herd bull that would never be exposed for sale except in a dispersion. This son of Goldspur's Baronet has been a top show bull and the calves by him that are to be sold in this sale are absolute proof that he is one of the most valuable sires of the day. He is only 4 years old, — just in the prime of his life. He will be sold to the highest bidder in this sale and fortunate indeed will be his new owner.

Leveldale Bridgroom is the best breeding bull we have ever used in all our breeding career. His calves are uniform in type and of good dark colors. We regard him as good a breeding bull as he was a show bull and we would not consider selling him under any other conditions than the necessity for a complete dispersion of the herd. There will be plenty of calves and yearlings to inspect on sale day as evidence of his ability as a sire. We hope he will go to head a strong herd where he can continue the great breeding record he has started here.

BROWNDAL MASTERSTROKE

Browndale Masterstroke is the junior herd bull that will be sold to the highest bidder in this Dispersion Sale. He is a very dark red in color, extremely short legged, very thick and smooth. We have two calves on the farm and they will convince anyone as to his worth as a sire. He is a grandson of the International grand champion Raveni Masterpiece and was the winner of 3d prize in the senior yearling class at the 1940 Ohio State Fair.

Above are shown the great bull Brawith Boy of Sunset and his two oldest calves. Through his showing at the 1940 fairs and through his use in the herd of Otis A. Carter & Son at Eldorado, Ill., this bull has become one of the most talked of young sires in the country. Brawith Boy of Sunset is out of the same cow that produced the bull Sunset Bapton Orator 3d (Lot 5) that is being sold by Carter & Son in this sale.

Above are shown a few of the outstanding animals in the strong herd maintained by Otis A. Carter & Son, Eldorado, Ill. Three good bulls from this herd will be sold in this auction.

Sunset Bapton Orator 3d is a very dark red bull that is ready for heavy service. He is a half brother to my present senior herd bull Brawith Boy of Sunset, being out of the same great cow, Edellyn Hilda 5th, she by the International grand champion Sultan Browndale. This bull was shown at the last International as a junior calf and stood well up in the money. He is one of the shortest legged bulls to be sold this year and has a good short broad head. There is every indication that he will prove equally as good a breeder as Brawith Boy of Sunset and this latter bull is the most talked of bull in America. I have used this bull liberally in my herd and would not have offered him for sale except that his brother is in service.

Haylands Primrose is the best Shorthorn female we ever owned. She was the grand champion at the 1940 Kentucky State Fair, champion of the Illinois classes at the 1940 Illinois State Fair and was right up at the top at all big shows in 1939 and 1940, including the International Live Stock Show. She will be very hard to beat at 1941 shows. All good judges agree that a thicker and blockier heifer has not been exhibited in many years than this one. She was bred Oct. 12, 1940 to Browndale Masterstroke, a red grandson of Raveni Masterpiece and one of the shortest legged, thickest bulls in the country. Certainly a valuable calf should result from this mating.
